PAINTED BUNTING

TEXAS PARKS & WILDLIFE
PAINT-BY-NUMBERS
Now you too can paint like Texas Parks & Wildlife Artist-in-Residence, Clemente Guzman. Together with the staff at TPW magazine, Clemente has created this paint by numbers Painted Bunting!

In this PDF you’ll find both a numbered and unnumbered version of the Painted Bunting canvas. Print a copy (or save it to your device) and complete your masterpiece using any medium you desire – acrylics, pastels, oils, watercolors, colored pencil, ink, clay, mosaic glass, fingerpaint, or digital artwork. Anything that strikes your muse!

What you produce is completely up to you. Stick with the numbers, paint outside the lines, create your own number key – the choice is yours.

Share your results on our Facebook page at https://www.facebook.com/tpwmagazine/, and we’ll publish our favorites in a future issue of the magazine AND in the Texas Parks & Wildlife magazine app for iPhone, iPad and Android.

We look forward to seeing your art!
